Canadian Region Report

CSA

Radio Amateurs of Canada (RAC) has responded to about 60 requests For QSLs so there is no need to rush more. However an update of the Picture may make a re-print worthwhile.

School Contacts

In Total there have been 13 school applications received, 12 processed and one Canadian application awaiting further information.

Breakdown of the 12 is as follows:-

4 Canadian and 1 Australian completed

6 Canadian and 1 Australian accepted and waiting

Since April 2002, Region 3 applications have been routed to Keigo.
