ARISS Web Site Status Update

- New features since last ARISS meeting
 - Detailed school application info
 - Detailed school contact ops status
 - Current news items and Shuttle status
 - Minutes of meetings

ARISS Web Site

The Future ??

Still need

- a Japanese language site
- a Russian language site
- Other language sites ?

ARISS Web Site

The Future ??

- When will we have Japanese and Russian sites?
- What is future of other Europe language pages?
- Who is looking after the gsfc index page?

ARISS Web Site

The Future ??

- Is the heirarchy optimized ?
 - Should the news be on the main page?
 - Should boilerplate be on a linked page?
 - Is Shuttle Status worthwhile?

ARISS Web Site

The Future ??

- What new features do we want?
- Is the site user friendly?
