

The Amateur Radio on the International
Space Station (ARISS) Team

SuitSat-1/Radioskaf-1/AO-54

Certificate of Recognition

presented to

William C. McArthur
KC5ACR

Presented in recognition of your outstanding volunteer support to ensure the successful development, crew training, deployment, operations, educational outreach and information dissemination of the SuitSat-1 mission. As a result of your efforts, Suitsat-1 captured the imagination of people and students worldwide providing unprecedented outreach and visibility for a ham radio event.
